ACADEMY

About Us

Words Academy is a virtual platform offering various online programmes. It aims at providing Islamic knowledge and related in a systematic and fruitful way to people of all ages and regions in multiple languages.

Core Values

Quality

Flexibility

Accountability

Creativity

Our Mission

The mission of the academy can be summarized into three points mentioned in verse 164, Surah Alu Imran as follows:

Tilawa: The academy introduces and spreads the unique scholarly tradition of Islam and guides people in the right direction.

Ta'leem: The academy provides quality undergraduate, graduate and postgraduate level courses.

Tazkiya: Beyond imparting knowledge, the academy enlightens people to organize their lives and lead a life of good faith and good citizenship.

Our Vision

The academy aims to become a lead virtual resource institute imparting Islamic knowledge for people of all ages around the world, thereby molding morally conscious and socially committed Ummah who have profound scholarship in Islamic disciplines and are well equipped for constantly changing socio-cultural contexts.

Primary Level Programmes

01

READ
Online Islamic School

10 Levels

READ is a moral schooling programme for students with an age range of 5 to 20 years. It aims at providing primary and secondary levels of Islamic studies using well-structured study methods and materials coping with the need of time. The part and parcel of READ is to teach its students how to live an Islamic life keeping all morals and piety towards Almighty Allah.

02

DIRASA
Islamic E-School

10 Levels

Dirasa is a one-on-one programme to learn basic Islam and moral values. It is designed for students with an age range of 5 to 20 years. It aims at providing primary and secondary levels of Islamic studies using well-structured study methods and materials coping with the need of time

Higher Level Programmes

03 HIMAYA CCIP

4 Levels

A two-year higher secondary level program for systematic learning of Islamic theology and practices after formal education period with a special focus on the things one need to know and do in the daily life. The program covers vivid Islamic knowledge in five courses including explanation of selected Quranic chapters and prophetic traditions (Hadith) along with understanding of Islamic jurisprudence (Fiqh), reflections on Islamic history (Tariq) and rules of Quran recitation (Tajwid).

04 HIMAYA CBIS

4 Levels

A two-year higher secondary level program for men who intend to study Islamic theology and practices systematically after a period of formal education, with a special focus on what one should know and do in daily life.

UG Programme

05

BACHELOR OF SHARIA AND ISLAMIC STUDIES

6 Levels

This three-year Undergraduate program intended to provide students with higher-level access to the Islamic culture and tradition. Curriculum is simple and can be followed by all age groups. We hope that the student will become a confident and precise person by the completion of the program.
